MISSION:

To advance the safety and wellbeing of victims of intimate partner violence and prevent and respond to intimate partner violence through social change.

Shirl's Letter:

On the heels of Women's Center's 13-14 Fiscal Year, which was packed with excitement and our 40th Anniversary Celebration, the 14-15 fiscal year proved to be just as exciting with technology at the forefront. On November 1, 2014, WC&S' RUSafe App transitioned from a local app to a national app due to the tireless work of WC&S staff and Newton Consulting, LLC. For those of you who may not know, RUSafe is a free dangerous relationship assessment app, which allows users to answer a series of questions about his/her relationship.

Once the questions are answered, if the responses cause concern, the user will be connected to either 911 or the local hotline nearest them. This is an incredible tool that now has the potential to save lives not just locally, but also nationally. Pittsburgh Steeler, Will Gay, became the national spokesman for RUSafe, encouraging those around the country to download this powerful tool. Moving forward, marketing efforts are underway to help get RUSafe into the hands of as many people as possible.

In addition to the national launch of RUSafe, WC&S along with Newton Consulting and the Pittsburgh police, took on another meaningful project –using the Maryland Lethality Assessment Program (LAP) that was implemented in Pittsburgh, to create an efficient and timesaving LAP App.

This app will allow Pittsburgh police who respond to a domestic incident to issue the Lethality Assessment electronically instead of using paper. That information will then be directly transferred to our database system, made possible through the generous help of ClientTrack, without having to relay information orally between the police and WC&S Advocates. Although the LAP App isn't being used just yet, we are extremely excited to see this tool begin to help those in the Pittsburgh community.

As always, we appreciate your support throughout the year. Because of you, we are able to take on these meaningful projects with the goal of keeping more women and children in our community safe. We thank you for sharing another year with us and we look forward to your continued support of our programs and services in the future.

Sincerely,

SHIRL REGAN, President/CEO

GUIDING PRINCIPLES

Victim Centered Advocacy

WC&S works on behalf of women and recognizes that the roots of intimate partner violence lie in the historic subjugation of women.

Empowerment Approach

WC&S recognizes that when individuals are provided with support, advocacy, resources and information, they are in a better position to determine what is best for them. WC&S supports the voluntary choice of women and respects the woman's ability to assess the danger she and her children face.

Sanctuary Model

WC&S has adopted the Sanctuary Model, a holistic, full-system approach to meeting the physical and emotional needs of victims. Sanctuary is a method of providing service and engaging in activities and interactions that focuses on helping injured children and adults recover from damaging effects of interpersonal trauma.

Community Awareness

WC&S educates the community and works to change systems in ways that will end intimate partner violence.

Foundation of Services

WC&S provides high quality, confidential programs offered in an environment where cultural competency, justice, autonomy, restoration and safety are priorities.

WC&S provides the following core services to achieve its mission.

- 24-Hour Hotline

CELEBRATING SURVIVORS

Presented by:

Women's Center & Shelter of Greater Pittsburgh and UPMC Health Plan

“ Every time I went (to WC&S), I learned more and more and I just knew it was the place I wanted to be. They say, “we believe you” and they don't dismiss me. I couldn't imagine me giving up. There are things I want in life. ”

Veronica, the survivor speaker featured in an inspirational video premiered at Celebrating Survivors 2015, spoke these words. With nearly 300 guests in attendance, Celebrating Survivors was held on Friday, May 1, 2015 at J. Verno Studios in the South Side with all net proceeds benefitting Women's Center & Shelter's programs and services for women experiencing intimate partner violence and their children.

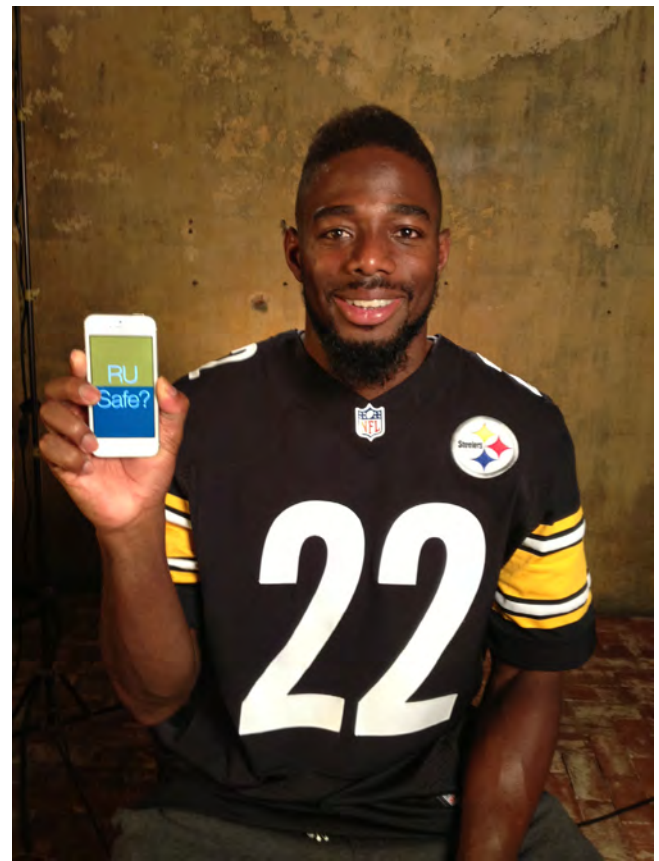

Diane P. Holder, Executive Vice President, UPMC, President and CEO, UPMC Health Plan hosted the event. Charlie and Latasha Batch graciously served as honorary co-chairs for this special evening, which focused on celebrating survivors of intimate partner violence (IPV), remembering victims who lost their lives to IPV and honoring Newton Consulting, LLC with the Ted Craig Humanitarian Award. The Craig Family bestowed this honor upon Newton Consulting for their commitment and generosity in helping WC&S create the RUSafe App – a dangerous relationship assessment smartphone app, which is now available at no cost on a national scale.

Those in attendance were treated to fabulous food by Rania's Catering, the smooth sounds of The Kevin Howard Band, a photo booth, silent auction, wine grab and more! Most importantly, guests heard Veronica's incredible story of survival and saw the many faces of IPV throughout the room to be honored and remembered. Due to the tireless efforts of many, including the Celebrating Survivors Committee, the event was a great success raising over \$110,000 in net proceeds benefiting WC&S' mission.

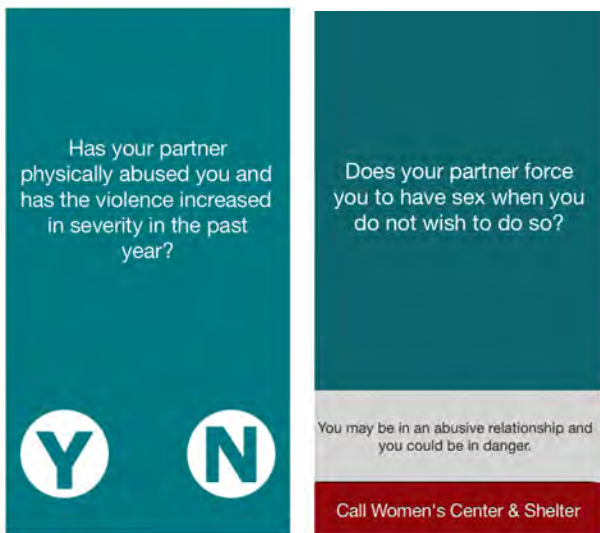

RU Safe?

RUSafe is a free “dangerous relationship assessment” App for any Apple or Android smart phone -- a free download, that invites the user to answer a series of questions about their relationship. The app evaluates the answers then calculates the responses and, if there is a need or a reason for concern, the app will enable the user to call the closest women’s shelter based on the GPS of the user’s phone. If the user is in immediate danger it will direct the user to call 911. RUSafe is based on the ‘Danger Assessment’ developed by Jacquelyn C. Campbell, PhD, RN, FAAN of John Hopkins School of Nursing. The RUSafe App, which was developed by Women’s Center & Shelter of Greater Pittsburgh (WC&S) and Newton Consulting, is a free download and when used by a woman in need, can possibly save lives.

Launch of RUSafe...and brief history...

In November, 2014, the RUSafe App launched nationally. Since then and through the end of the fiscal year - June, 2015, the RUSafe App guided 502 women to call a shelter or view a shelter’s website. These 502 women contacted 217 different shelters in 42 different states. The RUSafe App has been opened 1,409 times since its launch during the 2014-2015 fiscal year. There are 1,560 women’s shelters with 24-hour hotlines programmed into the RUSafe App to serve victims across the United States.

“I honor my mother and use her voice in this national call to action! Each life we save means hers was not taken in vain.”

- William Gay, Pittsburgh Steelers
National Spokesperson for RUSafe

IN-KIND DONATIONS – INDIVIDUALS

WC&S is extremely grateful to all of our in-kind contributors. These gifts include new household items, toys, linens, toiletries, food and various other items that ease our clients' transitions out of shelter and into their new, safe and independent lives. We are also appreciative of service and professional donations including under-writing for our printing services including our brochures, newsletters and other written communications.

Women's Center & Shelter of Greater Pittsburgh is a 501(c) (3) nonprofit organization - donations to which are tax deductible to the fullest extent permitted by law. The official registration and financial information of WC&S may be obtained from the Pennsylvania Department of State by calling toll free, within Pennsylvania, 1-800-732-0999.
