Our Mission

To advance the safety and wellbeing of victims of intimate partner violence and prevent and respond to intimate partner violence through social change.

Nicole's Letter

Last year was a period of transition and exciting growth at WC&S. I offer my appreciation to our amazing Board of Directors for their unwavering leadership, vision, and support. Our staff, interns, and volunteers are the very heart and soul of WC&S, digging into this difficult work in an uncompromising fashion that proves every day how much we value and respect our clients. And without the ongoing support and dedication of our generous funders, community partners, and friends, WC&S would be unable to provide these high-quality, trauma-informed services to families experiencing IPV. It absolutely takes a village, and we just cannot thank you all enough for being our village!

I am grateful and ecstatic to serve adult and child survivors of intimate partner violence in this new capacity as President/CEO. I follow in the footsteps of two of WC&S' long-time CEOs, strong and intelligent women who I am proud to say were my mentors over the years, Shirl Regan and before her, Martha Friday. Having been involved with WC&S since 1995, when I began as a direct service volunteer before joining the staff the following year, I've seen an incredible amount of growth and change over the years – but what has remained steady is the passion and commitment of those involved with WC&S. Being entrusted to lead a team comprised of amazing people who work with enthusiasm, smarts, vision, and talent to help those experiencing intimate partner violence is truly a humbling experience. The survivors we serve are often at the most vulnerable times in their lives. Knowing we can positively impact them by serving and empowering them on their journey from victim to survivor is what motivates us every day.

Thank you for joining us in this journey as we offer healing and hope to those in dangerous, complex, and often heartbreakingly situations. We look forward to continuing our good work together. Your generosity of time and treasure makes a world of difference to those we serve. Thank you.

All my Best,

A handwritten signature in blue ink that reads "Nicole".

Programs & Services

24-Hour Hotline

WC&S' Hotline Advocates are trained in crisis intervention and survivor-centered advocacy. The Advocates assess the callers' safety (and contact emergency responders when needed), offer counseling, and walk the callers through creating and updating safety plans.

2017-18:
Answered **5,090** crisis calls for **1,148** hours of counseling

2017-18:
Housed **274** adult victims and **203** children for a total of **13,954** shelter nights. served a total of **41,862** meals to residents.

Emergency Shelter

WC&S' Emergency Shelter provides safety for women and children in immediate, lethal danger. Core services for Shelter residents include safety planning, goal planning, and advocacy for housing, career, health, and mental health.

Children's Program

The Children's Program is a safe, welcoming, nurturing space where child witnesses/victims of IPV can heal from trauma. Beyond addressing basic needs like medical care and school access, our Child Advocates collaborate with local organizations to bring fun, expressive activities to the children we serve. Importantly, the Children's Program also creates opportunities for mothers and their children to connect with each other while they work through some of the most difficult challenges they have faced.

2017-18:
Provided **283** children with **6,117** hours of direct service

2017-18:
Provided **266** adult survivors of intimate partner violence with **2,767** hours of non-resident counseling and emotional support

Empowerment Center (Non-Resident Program)

Support groups are offered at WC&S for IPV survivors who have exited Shelter and those who have not needed Shelter services. Groups cover topics like building life skills, seeking safety, recognizing reproductive coercion, fostering wellness, mothering, developing healthy relationships, and surviving trauma. Individual therapy is provided onsite to help cope with the effects of IPV including depression, post-traumatic stress disorder, and anxiety.

Legal Advocacy

WC&S' Legal Advocacy Department helps IPV survivors navigate the court system by providing information, resources, counseling, and ongoing support free of charge. Legal Advocates may guide survivors through obtaining Protection From Abuse (PFA) orders and accompany them to court hearings. These Advocates work with the justice system to improve procedures and to train police on IPV issues.

2017-18:
Provided **6,818** hours of Legal Advocacy to **3,087** victims of domestic violence crime

2017-18:
Opened **620** new cases
serving **426** new clients

Civil Law Project (CLP)

Through the Civil Law Project (CLP), WC&S clients can receive free legal representation in matters including PFA orders, custody and child support, and divorce.

Medical Advocacy

The Medical Advocate maintains relationships between WC&S and local healthcare providers, distributing WC&S print materials to medical practices and meeting with patients admitted to hospitals for IPV-related injuries. Additionally, the Advocate trains healthcare professionals and students in medical fields in an effort to enhance the healthcare system's response to IPV.

2017-18:
The Medical Advocacy Coordinator (MAC) delivered **90** DV trainings to healthcare professionals at UPMC Mercy, UPMC Shadyside, UPMC Magee hospitals.

2017-18:
WC&S staff delivered **21** criminal justice trainings to **290** professionals, and **28** trainings to **1,290** other professionals in the community. Various WC&S staff delivered **37** public presentations to **1,594** people in the community.

Education

WC&S delivers training and presentations on IPV awareness and prevention to criminal justice professionals, students, clergy, corporations, and other professionals. WC&S' new affiliate, STANDING FIRM, is now housed in this department, enhancing our prevention efforts in the greater community. STANDING FIRM alerts employers to the financial, safety and human costs of partner violence on the workplace and workforce and equips them with tools for taking effective organizational action.

MENS (Men Embracing Nonviolence and Safety) Program

WC&S' batterer's intervention program provides 10 weekly intervention groups to IPV offenders in various offsite locations. Program sessions last 24 weeks and encourage men to change their attitudes and beliefs that perpetuate IPV.

2017-18:
The MENS Group provided **388** MENS participants with batterer's intervention

2017-18:
The INC Team served **217** new clients

Immediate Needs Coordination (INC)

Since 2015, this program has provided much-needed social service advocacy—such as applying for public benefits, seeking assistance with utilities, and securing financial support for school enrollment—to Civil Law Project clients. In spring 2018, WC&S began extending this program to other non-resident clients (*i.e. clients who are seeking counseling, advocacy, and legal services from WC&S*).

Refugees, Immigrants, and Limited-English (RIL)

WC&S has a special team that works with Refugees, Immigrants, and Limited-English speakers, called the RIL Team. These multilingual staff members work at two levels – assisting individual clients and advocating improvements in systems to better serve RIL clients.

2017-18:
The RIL Team served over **500** refugee, immigrant, and Limited-English speakers

2017-18:
246 clients received **1,098** hours of advocacy and counseling

CYF Program

WC&S has a contract to work with families referred by the Department of Human Services' Office of Children, Youth, and Families (CYF). These cases involve both IPV and child abuse, and they tend to be some of the most dangerous cases that WC&S sees. WC&S' four CYF Advocates also provide training, coaching and consultation to CYF caseworkers throughout the county.

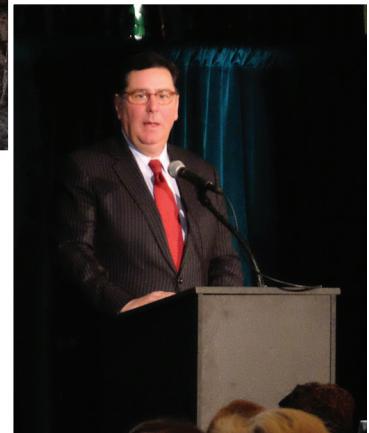

Program Highlight — Welcome STANDING FIRM!

STANDING FIRM, which alerts employers to the financial, safety and human costs of partner violence on the workplace and workforce and equips them with tools for taking effective organizational action, officially became a program of Women's Center & Shelter of Greater Pittsburgh on December 13, 2017. Both organizations completed due diligence in a nearly year-long process, with each governing board voting favorably on the merger.

For STANDING FIRM, this merger increases infrastructure capacity, expands the ability to develop and deliver products and services and prepares for succession of the founding leaders. For Women's Center & Shelter, the merger adds vibrancy to its prevention efforts in the community and a more robust platform on which to build relationships with local corporations.

Nearly 400 employers have joined STANDING FIRM to address partner violence in the workplace, representing over 450,000 employees. Providing businesses with the tools to create a safe and productive workplace, STANDING FIRM offers consultation, assistance with creating policies, and training. At their annual Fall luncheon, Stand Up for STANDING FIRM, hundreds of business leaders, organizations and champions come together to celebrate the forward-thinking action steps taken by companies to put an end to partner violence.

We are excited about the opportunities this merger brings, including addressing the issue of partner violence more holistically by increasing our education and outreach efforts through employers across the region. The merger creates an even brighter future for both WC&S and STANDING FIRM as we work toward a common goal of ending partner violence in the lives of adults and children.

Thank you to our donors!

Women's Center & Shelter of Greater Pittsburgh sincerely thanks all of you, our generous donors, listed on the following pages for your life-changing support. Thanks to you, WC&S serves 7,500 adults experiencing intimate partner violence and their children each year. Our work simply wouldn't be possible without you.

The gifts listed on these pages were made between July 1, 2017 and June 30, 2018. Please note that all contributions to WC&S, including gifts through United Way, are included in the following pages. This listing is completed to the best of our knowledge. If there are any corrections, please accept our sincere apologies and contact Susannah at 412-687-8017 ext. 337. Thank you!
