

Adopt-A-Family 2020

Because everyone deserves a Happy Holiday.

Imagine: You and your children are spending the holidays in a domestic violence shelter where you have arrived with only the clothes on your backs. Or perhaps you are now living in safety but you're working reduced hours at your job because of the widespread impacts of the COVID-19 pandemic and you're barely making ends meet. How will you give your kids a happy holiday?

With the support of our incredible donors, Women's Center & Shelter's Adopt-a-Family program has been creating happier holidays for ten years. And, the need is greater than ever. By symbolically adopting a family, you will make this holiday season as normal and joyful as possible for survivors of intimate partner violence.

One of WC&S' core values is to empower survivors to make their own choices, so we want them to have the freedom to shop for their own children. **By donating gift cards, you give them the opportunity to delight in the experience of purchasing and giving presents to their children.**

Please note that we are unable to accept used clothing or gently used items.
