

Adopt-A-Family 2024

Because every family deserves a happy holiday

This holiday season, make a lasting impact

Imagine: You and your children are spending the holidays in a domestic violence shelter, having left all your possessions behind in your search for safety.

Or perhaps you are now living on your own but still struggling from the effects of financial abuse.

Empowerment is a priceless gift: While it may seem impersonal, your donation of Target, Walmart, or Visa gift cards is deeply meaningful to the thousands of survivors who have had their spending power limited by their abusers.

By symbolically adopting a family, you will make this holiday season as bright as possible by uplifting survivors on the path to regain their sense of freedom.

Please note that we are unable to accept donations of gently used toys or clothing

Contact us at community@wcpittsburgh.org or call (412) 894-2115 with any questions.
