ANNUAL REPORT

2023/24 FISCAL YEAR

As we reflect on this momentous year, marking 50 years of serving survivors and their families, we are filled with profound gratitude for your unwavering support. Since our founding, we have navigated challenges and celebrated triumphs, always propelled by the belief that every survivor deserves safety, compassion, and hope. This milestone is as much a testament to your generosity as it is to our shared mission.

Today, because of you, we carry forward the vision of our founders, Ellen Berliner and Anne Steytler, with compassion, determination, and hope. Your gifts are at the heart of the life-changing services we provide. In the past year alone:

- We provided **33,490 hours of counseling** to clients, an increase from years past and our highest ever counseling hours, which speaks to the increased need and complexity of our work.
- **4,137 individuals** received emotional support and safety planning through our hotline, text, and online chat services, with an extraordinary **99% caller satisfaction rate**.
- **244 adult and child residents** found refuge in our shelter, totaling **15,011 shelter nights** and **45,033 meals served**. Upon leaving our shelter, **100% of residents** reported increased safety strategies, **95%** had greater knowledge of community resources, and **84%** experienced decreased rates of depression.

Your help turns numbers into stories of resilience and transformation. The survivors we serve have expressed deep gratitude for the generosity of strangers, describing it as “unconditional love” and “someone willing to help without anything in return.” These words reflect the profound impact of your compassion and the ripple effect it creates in their lives.

As we look to the future, we know that the work will not be easy. Addressing the deeply rooted causes and far-reaching impacts of domestic violence requires perseverance, innovation, and an unyielding commitment. But together, we will continue to provide the safety, resources, and empowerment survivors need to rebuild their lives. Your support reminds us that while the challenges are great, the potential for change is even greater.

Thank you for being an integral part of this journey, for believing in the resilience of survivors, and for ensuring that Women’s Center & Shelter remains a sanctuary of hope and healing. As we celebrate 50 years of service, we also look forward to the future with determination. Together, we will continue to evolve, to listen, and to advocate for those whose voices too often go unheard. The journey isn’t always easy, but with you by our side, we can—and will—make a difference.

With heartfelt appreciation,

Nicole Molinaro, President/CEO

Our Mission

REFLECTIONS OF 50

Programs & Services

Hotline Services

Our hotline is available 24/7 and text & chat services are available from 9a-5p, Mon-Fri. Trained advocates provide support, safety planning, options, and connections to services and resources to anyone who has experienced domestic violence (DV) from a current or former partner or those concerned about a loved one or coworker.

Emergency Shelter

WC&S' Emergency Shelter provides safety for adults and children in immediate, lethal danger. Services include safety planning, goal planning, and advocacy for housing, career, health, mental health, and other needs. WC&S provides all basic essentials so that families can begin their journeys of healing. On-site housing for pets is also available.

Children's Advocacy Program (CAP)

Our Children's Advocacy Program (CAP) provides a safe, welcoming, culturally competent, and nurturing space where child survivors of DV can heal from trauma. Our goal is to help children explore their feelings in an open and positive environment, while their parent takes time to heal and address housing, employment, and other needs to rebuild their lives.

Legal Advocacy & Civil Law Project (CLP)

Our non-attorney legal advocates help survivors navigate the justice system by providing court accompaniment, safety planning, emotional support, and connection to resources. Civil Law Project attorneys represent qualifying WC&S clients, providing free representation in cases involving Protection From Abuse (PFA) orders, child custody, spousal support, and divorce.

Education & Outreach (*Schools & Community*)

WC&S delivers training and presentations on DV awareness and dating violence prevention to students in middle school through college, criminal justice professionals, human service providers, clergy members, corporations, and other professional groups.

Wellness Team

The Wellness Team provides inclusive support and counseling services to domestic violence survivors to foster hope, resilience, and healing. Support groups help survivors to tell their stories and grow stronger through shared experiences. Therapy is also available for survivors who are interested in exploring their trauma in a more individualized way.

Services for Refugees, Immigrants & Limited-English Speakers (RIL)

This specialized team includes multilingual staff members who work at two levels — assisting individual clients on-site and in the community, and advocating improvements in systems to better serve RIL clients.

Children, Youth, and Families

Children, Youth, & Families (CYF) Specialists train, consult with, and coach CYF caseworkers who serve families experiencing intimate partner violence with a co-occurrence of child abuse or neglect. They provide individual and group services to adult survivors, including safety strategies, court accompaniment, case management, resources, provider relations, and more.

Immediate Needs Coordination (INC) Program

Our Immediate Needs Coordinators meet the urgent emotional, psychological, and physical health & safety needs of clients who are not staying in Shelter or have left Shelter. The INC Program also assists survivors with meeting their basic needs, such as transportation, housing, utility, food, and more.

Medical Advocacy

The Medical Advocacy Team works closely with area hospitals, clinics, and doctor's offices to provide patient advocacy and crisis intervention, educational resources, and hands-on training. They serve as a liaison between healthcare professionals and WC&S clients to advocate for their healthcare and health insurance needs, in addition to helping clients to locate medical providers.

MENS Group (*Men Embracing Nonviolence & Safety*)

The MENS Group is for men who need help with changing their violent and abusive behaviors. This community-based program offers education to help those who use abuse understand and take accountability for their actions and learn tools to help them develop healthier communication and relationships.

STANDING FIRM

STANDING FIRM, a national program of WC&S, equips employers to respond to domestic violence and is a critical link for a survivor to reach a life of safety. By empowering employers through consultation and training, STANDING FIRM is changing workplace culture and systems so that survivors may move toward financial independence, and closer to a life free from abuse.

High Danger Initiative

WC&S works in a specialized fashion with survivors who are assessed to be most at-risk for being killed by their partner or ex-partner. High-danger survivors who are identified by the courts and WC&S receive emergency, multi-departmental and multi-organizational case management to meet their immediate safety and other needs.

The Lovelace Legacy Society

At our 50th Anniversary Celebration on May 11, we unveiled the name of our new planned/legacy giving society, proudly called The Lovelace Legacy Society after WC&S' longest-serving Board Director, John Lovelace. The Lovelace Legacy Society is for those who have made WC&S aware of their intent to make a planned gift to the organization or those who have made a planned gift to WC&S during their lifetime. We are truly grateful to these amazing donors and their commitment to the long-term sustainability of WC&S!
