Our Mission

We will strengthen our ability to meet the individual and evolving needs of those affected by domestic violence by investing in the growth of our people, deepening community engagement, and amplifying the voices of all survivors.

Dear Friends,

At Women's Center & Shelter of Greater Pittsburgh (WC&S), hope is not something that stands alone: we know that it's built, nurtured, and sustained through the power of community. Each day, we are reminded that meaningful change happens when compassion is shared, voices are raised together, and courage is met with care.

For more than 51 years, WC&S has stood as a safe haven for survivors of domestic violence, serving as a place where healing begins and new possibilities take shape. This past year, your partnership ensured that thousands of survivors and their children found safety, support, and the confidence to rebuild.

The numbers contained within these pages tell a story far beyond the services delivered; they tell stories of perseverance and renewal and reflect what happens when a community stands together and declares, "You are not alone!"

This collective spirit of compassion has always been at the heart of WC&S. We see it in every volunteer who gives their time, every donor who shares their resources, and every partner who helps to amplify our mission. Together, you ensure that when someone reaches out for help, there is always someone ready to answer.

As we look to the year ahead, we carry with us the reminder that hope grows stronger when it is shared. Thank you for standing beside us, for believing in the strength of survivors, and for helping to create a future where safety, healing, and empowerment are within everyone's reach.

With heartfelt gratitude,

Nicole Molinaro, President/CEO
Women's Center & Shelter of Greater Pittsburgh

Programs & Services

Hotline Services

Our hotline is available 24/7 and text & chat services are available from 9a-5p, Mon-Fri. Trained advocates provide support, safety planning, options, and connections to services and resources to anyone who has experienced domestic violence (DV) from a current or former partner or those concerned about a loved one or coworker.

Emergency Shelter

WC&S' Emergency Shelter provides safety for adults and children in immediate, lethal danger. Services include safety planning, goal planning, and advocacy for housing, career, health, mental health, and other needs. WC&S provides all basic essentials so that families can begin their journeys of healing. On-site housing for pets is also available.

Children's Advocacy Program (CAP)

Our Children's Advocacy Program (CAP) provides a safe, welcoming, and nurturing space where child survivors of DV can heal from trauma. Our goal is to help children explore their feelings in an open and positive environment, while their parent takes time to heal and address housing, employment, and other needs to rebuild their lives.

Legal Advocacy & Civil Law Project (CLP)

Our non-attorney legal advocates help survivors navigate the justice system by providing court accompaniment, safety planning, emotional support, and connection to resources. Civil Law Project attorneys represent qualifying WC&S clients, providing free representation in cases involving Protection From Abuse (PFA) orders, child custody, spousal support, and divorce.

Education & Outreach (*Schools & Community*)

WC&S delivers training and presentations on DV awareness and dating violence prevention to students in middle school through college, criminal justice professionals, human service providers, clergy members, corporations, and other professional groups.

Wellness Team

The Wellness Team provides support and counseling services to domestic violence survivors to foster hope, resilience, and healing. Support groups help survivors to tell their stories and grow stronger through shared experiences. Therapy is also available for survivors who are interested in exploring their trauma in a more individualized way.

Services for Refugees, Immigrants & Limited-English Speakers (RIL)

This specialized team includes multilingual staff members who work at two levels – assisting individual clients on-site and in the community, and advocating improvements in systems to better serve RIL clients.

Children, Youth, and Families

Children, Youth, & Families (CYF) Specialists train, consult with, and coach CYF caseworkers who serve families experiencing intimate partner violence with a co-occurrence of child abuse or neglect. They provide individual and group services to adult survivors, including safety strategies, court accompaniment, case management, resources, provider relations, and more.

Immediate Needs Coordination (INC) Program

Our Immediate Needs Coordinators meet the urgent emotional, psychological, and physical health & safety needs of clients who are not staying in Shelter or have left Shelter. The INC Program also assists survivors with meeting their basic needs, such as transportation, housing, utility, food, and more.

Medical Advocacy

The Medical Advocacy Team works closely with area hospitals, clinics, and doctor's offices to provide patient advocacy and crisis intervention, educational resources, and hands-on training. They serve as a liaison between healthcare professionals and WC&S clients to advocate for their healthcare and health insurance needs, in addition to helping clients to locate medical providers.

MENS Group (*Men Embracing Nonviolence & Safety*)

The MENS Group is for men who need help with changing their violent and abusive behaviors. This community-based program offers education to help those who use abuse understand and take accountability for their actions and learn tools to help them develop healthier communication and relationships.

STANDING FIRM

STANDING FIRM, a national program of WC&S, equips employers to respond to domestic violence and is a critical link for a survivor to reach a life of safety. By empowering employers through consultation and training, STANDING FIRM is changing workplace culture and systems so that survivors may move toward financial independence, and closer to a life free from abuse.

High Danger Initiative

WC&S works in a specialized fashion with survivors who are assessed to be most at-risk for being killed by their partner or ex-partner. High-danger survivors who are identified by the courts and WC&S receive emergency, multi-departmental and multi-organizational case management to meet their immediate safety and other needs.

The Lovelace Legacy Society

The Lovelace Legacy Society is for those who have made WC&S aware of their intent to make a planned gift to the organization or those who have made a planned gift to WC&S during their lifetime. Unveiled at our 50th Anniversary Celebration in 2024, The Lovelace Legacy Society is proudly named after WC&S' longest-serving Board Director, John G. Lovelace.
