MISSION:

TO ADVANCE THE SAFETY AND WELLBEING OF VICTIMS OF INTIMATE PARTNER VIOLENCE AND PREVENT AND RESPOND TO INTIMATE PARTNER VIOLENCE THROUGH SOCIAL CHANGE

Shirl's Letter:

The 2013-2014 Fiscal Year at Women's Center & Shelter of Greater Pittsburgh (WC&S) was one of extreme importance, as we celebrated 40 years of service to the Pittsburgh community. Throughout the year, we were able to reflect on our past and how far we have come as well as look toward the future and the work that needs to continue. We had a very special 40th Anniversary Celebration at the Frick Art & Historical Center on Friday, May 2, 2014. With a crowd of more than 400 in attendance, the event raised over \$285,000 for WC&S' programs and services. The event exemplified our 40th Anniversary theme of courage, strength and hope that we have continued to reflect on and use throughout the year.

Also this year, WC&S launched two ground-breaking initiatives. WC&S worked closely with City Council and the City of Pittsburgh Police to bring the Maryland Lethality Assessment Program (LAP) to Pittsburgh. The goal of LAP is to prevent domestic violence homicides, serious injuries and re-assaults by encouraging more victims to use domestic violence programs and services. In just six months, WC&S received 550 police facilitated LAP Hotline calls from victims in immediate lethal danger. This number is in addition to our regular Hotline calls from victims and significant others.

Women's Center & Shelter also released a revolutionary new lethality assessment app for Apple and Android. The app, RUSafe?, was introduced as an extension of LAP to broaden the impact of this life-saving tool to benefit the region. RUSafe? was developed by WC&S and Newton Consulting who generously donated their time and services. Efforts are now underway to make RUSafe? a national app that will connect victims to the nearest domestic violence hotline.

As you can see, the 2013-2014 Fiscal Year at Women's Center & Shelter has been a year of great accomplishments. Because of your constant support, WC&S is able to provide life-saving programs and services to women and children experiencing intimate partner violence. In honor of our four decades of service, we thank you for standing by our side and we look forward to your continued support in the future. You help make our work possible.

Sincerely,

SHIRL REGAN, President/CEO

GUIDING PRINCIPLES

Women's Centered Advocacy

WC&S works on behalf of women and recognizes that the roots of intimate partner violence lie in the historic subjugation of women.

Empowerment Approach

WC&S recognizes that when individuals are provided with support, advocacy, resources and information, they are in a better position to determine what is best for them. WC&S supports the voluntary choice of women and respects the woman's ability to assess the danger she and her children face.

Sanctuary Model

WC&S has adopted the Sanctuary Model, a holistic, full-system approach to meeting the physical and emotional needs of victims. Sanctuary is a method of providing service and engaging in activities and interactions that focuses on helping injured children and adults recover from damaging effects of interpersonal trauma.

Community Awareness

WC&S educates the community and works to change systems in ways that will end intimate partner violence.

Foundation of Services- J.A.R.S.

WC&S provides high quality, confidential programs offered in an environment where cultural competency, justice, autonomy, restoration and safety are priorities.

Core Services

WC&S provides the following core services to achieve its mission.

- 24-Hour Hotline Shelter
- Legal Advocacy

The Women's Center & Shelter of Greater Pittsburgh

Celebrating four decades of... Courage, Strength and Hope!

With a crown of more than 400 in attendance, WC&S celebrated four decades of courage, strength and hope at The Frick Art & Historical Center on Friday, May 2, 2014. The event was a huge success raising more than \$285,000 for WC&S' programs and services. This very special 40th Anniversary Celebration presented by UPMC Health Plan was made most meaningful by the many intimate partner violence survivors in the room. Presented by special guest, survivor and Pittsburgh Steeler, William Gay, all survivors were asked to stand and be recognized as this year's Ted Craig Humanitarian Award winners. It was a warm and wonderful moment to witness such courage and bravery. All survivors were given a special survivor pin.

In 1974, there was no such thing as a women's center.

Men had bars, restaurants and clubs. women had no such places. So Ellen Berliner and Anne Steytler created one. The women's movement was in full swing. Friends and a group from South Hills NOW contributed time and money. The result was the women's Center South, housed in a storefront in Dormont. Humble beginnings indeed for one of the first six shelters in the United States for battered women.

Flyers were handed out, and women began coming. As Steytler described it, "We learned to our horror that 40 percent of women who found their way to us had been beaten." Without even realizing it, we had transitioned from the women's movement to the battered women's movement. And we began providing care for women who were coming to us because the person who had promised to love and cherish them had instead physically abused them

Over the years, care has been offered in various

locations, from the YWCA in Homewood-Brushton to the basement of the Pittsburgh Theological Seminary to Pittsburgh's East End. In 1996, Women's Center & Shelter moved into its current facility that houses 36 women and children and where 140,000 individuals have benefitted from comprehensive prevention and intervention services.

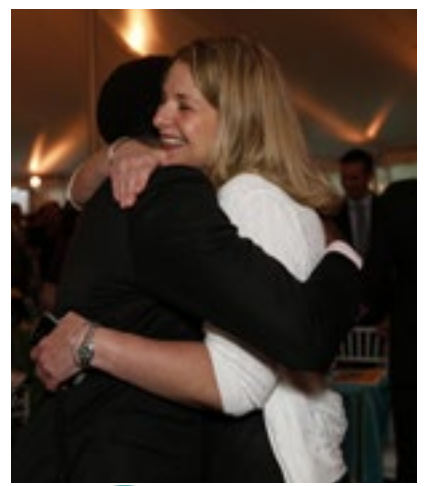

Today, Women's Center & Shelter continues to create innovative programs aimed at preventing domestic violence and providing services to victims of that violence. As we celebrate our 40th Anniversary, that celebration is tempered by the knowledge that intimate partner violence has increased over those years and our services are needed more than ever.

5

Throughout the past four decades,

We have been witness to the triumph of the human spirit. We've seen first-hand the strength and courage of victims of domestic violence. And we've been privileged to help thousands of women rebuild their lives. With the help of everyone who is committed to ending intimate partner violence, our work must -- and will -- continue.

IN-KIND DONATIONS – INDIVIDUALS

WC&S is extremely grateful to all of our in-kind contributors. These gifts include household items, clothing, toys, linens, toiletries, food and various other items that ease our clients' transitions out of shelter and into their new, safe and independent lives. We are also appreciative of service and professional donations including under-writing for our printing services including our brochures, newsletters and other written communications.

If you or your organization would like to conduct a fundraising event or collection drive for WC&S, please contact Morgan at 412-687-8017 ext. 338.

Women's Center & Shelter of Greater Pittsburgh is a 501(c) (3) nonprofit organization - donations to which are tax deductible to the fullest extent permitted by law. The official registration and financial information of WC&S may be obtained from the Pennsylvania Department of State by calling toll free, within Pennsylvania, 1-800- 732-0999.
